#### ACKNOWLEDGEMENTS

With more than 21 years of professional experience, Álvaro specializes in labor law, individual and collective labor and social security protection.

Álvaro advises on contractual labor relations between the company and its employees, labor-management relations between the company and the union, termination of individual and collective labor relations, as well as individual and collective disputes before labor courts, conciliation and arbitration boards, federal or local, as well as before the Ministry of Labor and Social Security and compliance with labor regulations before various authorities.

His accompaniment is preventive, with the purpose of helping companies achieve its growth objectives, avoiding labor conflicts and obtaining a better defense position in case of claims.
