fudave@s-s.mx

Francisco has been practicing for more than 17 years and specializes in employment litigation, representing corporate management in high profile cases filed by top executives, as well as representing clients in collective disputes initiated by labor unions.

His practice also focuses in consultancy on benefits and employment aspects of merger and acquisition deals.

He is involved in many of the largest impact cases at S+S and is relied upon and respected by his clients, many of which are multi-national companies.
