andres.zenteno@s-s.mx

With more than 4 years of professional experience, Andrés specializes in the areas of foreign trade and health sciences.

His practice focuses on advising clients in all matters related to foreign trade, including proceedings before the Ministry of Economy, the Tax Administration Service, the National Customs Agency, the Federal Commission for the Protection against Sanitary Risks, and the Federal Court of Administrative Justice.

Andres advises on compliance with non-tariff regulations, application of international treaties and follow-up of audits and administrative procedures and compliance with Mexican Official Standards. He has also participated in mergers and acquisitions procedures, analyzing and implementing contracts and strategies related to foreign trade.
