lcgomez@s-s.mx

With more than 8 years of professional experience, Luis Carlos focuses on real estate and environmental matters.

Luis Carlos provides advice to different clients in real estate matters in the legal audit stage and in the review of documents for transactions. Likewise, he continues advising on environmental matters for review and verification of compliance with legal provisions applicable in Mexico. Luis Carlos' recent work includes, among others: (i) continuous advice of Home Depot Mexico for all real estate needs associated with the selection and development of its retail chain in most of the States of Mexico; (ii) continuous advice of Martinrea International on all real estate needs for their industrial expansion in Mexico; (iii) advice of Cosmocel, S.A. on a two-tier process to acquire 15 hectares of land in the Interpuerto Monterrey Industrial Park located at Salinas Victoria, Nuevo León, Mexico, and (iv) advice of Accuride Corporation with respect to all Mexican law aspects associated with a sale and leaseback arrangement of its real estate portfolio in the United States and Mexico.
