

PATRICIA VIVEROS

Associate

MEXICO CITY

52 55 5279 5478

pviveros@s-s.mx

With more than 9 years of professional experience, Patricia focuses on labor and employment matters.

She provides assistance and collaboration in individual and collective matters for several companies in the automotive, mining, film, and chemical industries. She also advises in the attention of inspections of working conditions, safety and hygiene, and training carried out by the Ministry of Labor and Social Welfare to workplaces. Likewise, she consults on general working conditions, safety and hygiene, and the creation of joint commissions.

Her practice also focuses on advice and representation in processes of termination of employment relationships, preparation and modification of employment contracts, internal policies and internal work regulations, and on prevention and attention to psychosocial risks.
