vbarrera@s-s.mx

With more than 4 years of professional experience, Víctor specializes in litigation and arbitration in civil and commercial matters. He has also participated in negotiation, mediation and conciliation processes, which allows clients to obtain prompt and effective solutions.

During his studies at the Universidad Panamericana, Víctor was part of the team that represented his university in the Willem C. Vis International Commercial Arbitration Moot (Vienna Moot) competition, in which they won 10th place worldwide. He currently participates as a Moot coach for the Instituto Tecnológico Autónomo de México team.
