aibarra@s-s.mx

With more than 22 years of professional experience, Ana Paula currently focuses on matters related to corporate governance, securities, general corporate, mergers and acquisitions and restructurings.

Ana Paula provides legal advice in the evaluation, incorporation and implementation of corporate governance and regulatory practices. She also advises on the participation in securities issuance processes, deregistration and debt restructurings.

She has also advised several companies in obtaining their registrations before the immigration authorities and work visas for their main officers and their family members, as well as in the compliance with the applicable provisions during the stay of expatriates in Mexico.
