esteban.soto@s-s.mx

With more than 3 years of professional experience, Esteban is specialized in banking and finance, capital markets, corporate, M&A, fintech, and estate planning.

Esteban advises domestic and foreign entities in connection with their corporate governance, as well as their commercial and operational activities in Mexico. In addition, he advises both buyers and sellers in local and global transactions involving Mexican and foreign companies.

He also advises various private companies, as well as domestic and foreign financial institutions in the analysis, structuring, negotiation and implementation of various loans and other secured financial instruments.

INTERNATIONAL EXPERIENCE

Participation in international legal congresses in Berlin, Germany and Taipei, Taiwan.
