EDUCATION

LL.B.
2019, Universidad La Salle, Mexico.

With more than 7 years of experience, Adriana Mayo is an associate specializing in Labor Law and Labor Relations. Providing advice to domestic and multinational companies across diverse economic sectors.

Her practice focuses on strategic labor consulting, labor relations, regulatory compliance, and risk mitigation. She has participated in more than 50 labor due diligence processes in mergers and acquisitions (M&A) transactions, as well as in corporate integration and reorganization projects.

She has also advised on large-scale labor restructuring processes, including collective terminations resulting from the closure and reorganization of operations. She also has extensive experience in the implementation of compliance strategies related to the outsourcing reform, the adaptation of corporate and labor structures, and the obtainment of more than 50 REPSE registrations for domestic and multinational companies.
