### EDUCATION

Bachelor of Laws (LL.B.)  
2018, Universidad Tecnológica de México

Specialization in Civil and  
Commercial Procedural Law  
2024, Universidad Panamericana

With more than eight years of professional experience, Axel is a lawyer specializing in civil and commercial litigation, financial restructurings, reorganizations, and insolvency proceedings.

He advises both domestic and international clients in the capital markets, financial services, and construction sectors, as well as in connection with insolvency and bankruptcy proceedings.

Axel has provided legal counsel and implemented strategies in disputes involving asset recovery, enforcement of security interests, contract termination, interim and precautionary measures, shareholder disputes, civil liability claims, and lease-related controversies, among others.
