EDUCATION

LL.B.
2011, Universidad Iberoamericana,
México.

LL.M. Industrial Property, Copyright,
and Emerging Technologies
2018, Universidad Panamericana,
México.

With more than 16 years of experience, Daniel specializes in intellectual property, franchises, licensing, and technology-related matters.

His practice focuses on advising clients to maximize the operation and profitability of their intangible assets through the development and implementation of legal strategies, with or without the use of technology (NFTs, Blockchain), at both the national and international levels.

He currently co-leads the firm's technology working group, which is dedicated to assisting companies in the digital environment that have evolved or entered Web 3.0, IoT, IoB, and the Metaverse.
