EDUCATION

JD

(with honors)

1998, Escuela Libre de Derecho in Mexico City, Mexico.

LL.M in European Union Law

2002, Universidad Carlos III de Madrid, Spain.

PhD in Law

(with honors)

2016, Universidad Complutense de Madrid, Spain.

With more than 27 years of professional experience, Sergio advises national and international companies in corporate and regulatory matters, project financing and infrastructure, privatizations, mergers and acquisitions, banking, stock market and derivatives operations, as well as Fintech and cryptoactives regulation.

He represents issuers, investors, financial intermediaries, developers, and government entities in bank financing operations and securitizations, including private equity, venture capital, and public offerings, as well as in the design and implementation of public tenders, concessions and public-private partnerships (PPP's).

Sergio also provides advice on draft laws, decrees and regulations in the areas of his professional practice.
