With over 20 years of experience, Roberto is a leading expert in civil and commercial litigation, commercial arbitration, and alternative dispute resolution (ADR).

Throughout his career, he has represented national and international clients in complex disputes involving real estate, debt recovery, contract enforcement, class actions, shareholder conflicts, civil liability, and moral damages.

His practice also includes mediation and arbitration proceedings, including cases governed by ICC and CANACO rules, as well as actions involving the recognition or annulment of arbitral awards and the referral of parties to arbitration.

Roberto primarily advises companies in the automotive, energy, retail, and financial sectors, providing strategic and effective solutions for dispute resolution in highly regulated and competitive environments.
