With more than 2 years of professional experience, Sara specializes in corporate law, mergers and acquisitions, restructurings and joint ventures related matters.

Sara advises national and international entities in the evaluation, adoption and implementation of corporate governance practices, in addition to providing advice on all activities related to the incorporation, dissolution and liquidation of corporations. She also assists in the compliance of companies with foreign investment regulations and in the drafting and negotiation of commercial contracts.

Sara has actively participated in advising on the purchase and sale of assets and/or shares, as well as in several commercial transactions.
