EDUCATION

LL.B.
2015, Universidad Panamericana,
Mexico.

LL.M. Banking and Finance Law
2020, Center of Commercial Legal
Studies, Queen Mary University of
London, Inglaterra.

With over 10 years of professional experience, José María's practice focuses primarily on Mergers and Acquisitions, and Banking and Finance, advising both national and international clients—including private and public companies, as well as banks—on a wide range of transactions such as corporate acquisitions, private equity investments, bank loans, structured financing, and related matters, including the drafting and negotiation of the corresponding contracts and agreements.

José María also has extensive experience providing legal and business advice to multinational and Mexican companies in various domestic and cross-border transactions, including counsel on commercial matters, corporate legal strategies, and the negotiation and drafting of operational and supply chain agreements.
