EDUCATION

LL.B.
2020, Universidad Iberoamericana,
S.C., Mexico.

With over 5 years of professional experience, Ana provides consulting and handles litigation in intellectual property matters, including trademarks and copyrights. She has advised national and international clients in achieving strategic objectives related to their intangible assets, helping them protect, maximize, and grow the value of their intellectual property portfolios.

She has extensive experience defending intellectual property rights before the Mexican Institute of Industrial Property, the Federal Administrative Justice Court, Circuit and District Courts, as well as the Supreme Court of Justice of the Nation.

Her practice is distinguished by offering practical, tailored solutions that combine legal expertise with a strong business perspective.
