Corporate lawyer with more than three years of experience in corporate law, providing comprehensive legal advice to individuals and legal entities both in Mexico and abroad. She has actively participated in the incorporation of companies, minutes of meetings, as well as in the drafting, negotiation and review of civil and commercial contracts. She has experience in foreign investment operations and in advising on mergers and acquisitions (M&A). She has worked in national and international law firms, which has allowed her to acquire a comparative approach to corporate and contract law. Her academic background includes postgraduate studies in international law focused on the transactional area.
