

SUSPENSION OF IMMEX PROGRAMS FOR FAILURE TO SUBMIT THE ANNUAL REPORT FOR FISCAL YEAR 2025

JULY 2026

A notice was published on June 30, 2026, in the Mexico's Federal Official Gazette listing the names of the holders and program numbers of Manufacturing, Maquiladora and Export Services Industry Programs (IMMEX Programs) suspended for failure to submit the annual report for fiscal year 2025, pursuant to Article 25, second and third paragraphs, section I, of the Decree for the Promotion of the Manufacturing, Maquiladora and Export Services Industry.

As a practical matter, the suspension means that the companies listed in the Notice cannot make use of the benefits associated with the IMMEX Program until they file the annual report of total sales and exports corresponding to the 2025 fiscal year.

The most relevant points of the notice are as follows:

- (i) Companies listed in the notice must submit the annual report no later than the last business day of August 2026.
- (ii) The Ministry of Economy will lift the suspension within two (2) business days after the company comes into compliance.
- (iii) If the annual report is not submitted within that period, the Program will be permanently cancelled effective September 1, 2026.
- (iv) Companies should verify whether they are included in the list.

In light of the foregoing, we recommend that companies holding an IMMEX Program promptly confirm whether they were included in the notice, verify the filing status of their 2025 Annual Foreign Trade Operations Report and, if applicable, regularize their situation before the last business day of August 2026 in order to avoid permanent cancellation of the Program.
